Services News Briefs

D-M Club Members Eligible for "Deployed Services Bucks"

D-M club members should be aware of these important facts concerning club Services Bucks.

When a club member deploys for 30 or more days to a location that does not have a membership club, the member has the option to maintain club membership or resign from the club. Should a member elect to resign membership, they are not entitled to deployed Services Bucks when rejoining the club.

Those electing to maintain their membership may receive Deployed Services Bucks. When they return, members receive the normal monthly number of Deployed Services Bucks for each month deployed. For instance, if 10 Services Bucks are normally received, a member deployed for four months would be entitled to 40 Services Bucks upon their return. The member must present a copy of TDY orders to receive their Deployed Services Bucks.

Unlike Services Bucks, where members can use only one per transaction, Deployed Services Bucks may all be used at one time on a single transaction. Use may also be spread over a period of six months from the time of issue. An expiration date will be marked on each deployed Services Buck at the time they are issued.

Another option is for the member's spouse to continue receiving their monthly quota of Services Bucks while the member is deployed, and use them in accordance with established procedures. If a spouse signs for Services Bucks while the member is deployed, no deployed bucks will be issued when the member returns.

For more information on club membership or Deployed Services Bucks, call 228-3301/3100.

D-M Youth Wins Prestigious Annual Award

One of Davis-Monthan's youth, Jason Wakefield, was recently selected as the 2003 Boys and Girls Club of America Youth of the Year on D-M. Jason is the son of Dena and SMSgt Kevin Wakefield of the 355th Aircraft Maintenance Squadron.

Jason was selected on special achievements he accomplished over the past year, according to Kathy Sands, the D-M Youth Programs Coordinator.

"There are six categories that nominees must demonstrate leadership and service in" said Sands.

The first category is home and family, second is moral character, third is

community, forth is school/education, fifth is Service to Club and the final category is life goals" said Sands.

Jason earned the rank of Eagle Scout and was awarded the Presidential Student Service Award. Community Service is an important part of Jason's life. He has contributed over 250 hours of community service to include church activities, Eagle Scout Community clean up projects, and projects around Davis-Monthan AFB. Jason has shown leadership in the AFJROTC and is a Junior Assistant Scoutmaster in Boy Scouts. He has held many leadership positions in JROTC including Cops Vice Commander, Senior Enlisted Advisor, and Executive Officer. As the Junior Assistant Scoutmaster he is in charge of advising the troop members on leadership and good decision making.

Jason will now compete in the Arizona BGCA program in Phoenix. The winner of that competition will go to the national level.

Jason could not be present at the local award presentation on Oct. 17 because he entered Air Force Basic Training on Oct. 14, 2003. Jason will go on to Loadmaster Technical Training after graduation from Basic Training according to his father.

For more information on the Youth of the Year award, call the Youth Center at 228-8844.

SMSgt Wakefield (left) and his wife Dena (center) are all smiles after the \$500 check presentation for their son Jason from Anthony Aguilar (right). Anthony is a member of the Fiesta Bowl Committee in Tempe, Arizona.

Children Learn More from Do's than Don'ts

Young children will be
better behaved when they
know clearly what you expect
of them. Instead of just saying,
"Don't do that," show and tell
your child what you *do* want
him or her to do. Follow these
four steps:

1) Teach your child the steps of the
desired behavior.

It is unreasonable to expect your child
to do something if you haven't taught
it to him or her.

2) Have your child describe the
behavior back to you.

This will tell you whether or not your
child understands your expectations.

3) Ask your child to demonstrate the
behavior to you.

If your child can demonstrate the
behavior reasonably well, then you
know that it is within the child's abilities.

4) Model the behavior yourself.

Children are always watching you and
trying to imitate your behavior.

Use these steps to reduce behav-
iors like whining and nagging or
to improve behaviors like table
manners and sharing toys.

Girls and Boys Town National Hotline, 1-800-448-3000.
